CONCERTS

Whether it's a polyrhythmic groove on juju magic, a playful musing on the rhythm of the heartbeat, a march about the mating season of tarantulas, a swing on spring fever, or rockin' and rollin' with a ride on the happiness train, Terry, Becky & Elise cook from the minute they hit the stage. Bringing three uniquely different voices to the blend, Terry, Becky & Elise's harmonies spread a web of joy and delight.

WORKSHOPS

Dive deeply into being held and lifted by voices making music together. Sing songs of celebration, ceremony, and community, songs honoring the earth and our own creativity, songs of healing and passage, songs of joy and playfulness. Elise's global vision, Becky's connection to nature and jazz, Terry's rooting in rhythm - introduce songs and games interweaving our voices in close harmonies and irresistible rhythms. Songs are broken down into easily learnable parts and even people who think they "can't carry a tune in a bucket" in no time find themselves part of a glorious chorus. Music reading is not a prerequisite.
